PLEBISCITE IN THE DANZIG?: IMPORTANT ROME-BERLIN TALKS NOW TAKING PLACE

PROMOTION FOR C-IN-C CHINA STATION

Sir Percy Noble Now Admiral

His many friends in foreign and Chinese circles both in Hongkong and in other parts of the Far East will join in congratulating His Excellency Vice-Admiral Sir Percy Lockhart Harnam Noble, K.C.B., C.V.O., Commander-in-Chief of the China Station, on his promotion to the rank of Admiral in His Majesty's Fleet.

His flag will be hoisted at the main in H.M.S. Kent at 8 o'clock this morning.

Admiral Sir Percy Noble, who succeeded Admiral Sir Charles Little, was born in 1880 and entered the Navy in 1894. From 1935 to 1937, Sir Percy was Fourth Sea Lord and Chief of Supplies and Transport. He was Naval A.D.C. to the King in 1929.

REAPPOINTED

A Reuters message from London states that Admiral Sir Percy Noble is reappointed Commander-in-Chief of the China Station on promotion.

MANILA ROCKED BY SEVERE TREMORS

MANILA, May 7 (Reuters)—Manila's Saturday night festivities were dampened at 1.01 a.m. when the city was rocked by intermittent earth tremors, of which one of 20 seconds duration is said to be the severest since August, 1937.

Many were aroused from their sleep and ran out into the streets, but there were no casualties.

"CHUNGKING ATTACKS WILL BE CONTINUED WITH GREATER FORCE"

Statement By Japanese Admiralty Spokesman

TOKYO, MAY 7 (REUTERS)—"THE JAPANESE ATTACKS ON CHUNGKING AND OTHER MILITARY POINTS WILL BE CONTINUED WITH INCREASING FORCE until the Kuomintang Government is crushed," declared a Japanese Admiralty spokesman to-day.

Referring to the bombing of the British Consulate-General, the Japanese naval authorities in Shanghai stated, according to Domei: "It was absolutely necessary for Japanese planes to silence some fifty anti-aircraft guns which opened fire on them from near the British, French and German Consulates. In aerial bombing stray bombs are inevitable."

DEMOBILIZATION IN SPAIN

"Axis An Instrument Of Peace"

More German Suggestions Expected: Polish Chamber Summoned For Tuesday

BERLIN, MAY 7 (REUTERS)—DECISIONS OF IMPORTANCE REGARDING DANZIG ARE NOT EXPECTED FOR THE PRESENT, according to political circles, where there is talk of a plebiscite in Danzig. It must be left to the population there to decide whether they want to return to the Reich or remain a free state, it is asserted.

It is now reluctantly confirmed in well-informed quarters that Herr Hitler yesterday conferred with Herr Greiser and Herr Foerster and hence Herr Von Ribbentrop has gone to Milan with full knowledge of the wishes of the Danzig leaders and Herr Hitler's instructions.

ROME, May 7 (Reuters)—The official "Informazione Diplomatica" alludes to the Ribbentrop-Ciano conversations and says: "While nothing sensational will emerge from the Milan talks, it will be made clear that the Axis while being ready to defend itself strenuously against attempts at encirclement, is not a factor for war, but an instrument of peace."

MILAN, May 7 (Reuters)—To-day's conversations between Count Ciano and Herr Von Ribbentrop ended 7 p.m. having lasted over two hours. It is believed that Danzig was the main subject of discussion.

STUDENTS' BOYCOTT

GDYNIA, May 7 (Reuters)—Trouble in the Danzig Polytechnic, which caused anti-German riots earlier in the year, was renewed with the start of the new term. The Polish students complain that their grievances have not yet been remedied and decided to boycott the lectures.

GERMAN PRESS SURPRISE

LONDON, May 7 (Reuters)—Col. Beck's speech on Friday has met with approval of every country, with the exception of Germany

and Italy, the latter's criticism being mild. German official comment is critical.

The "Diplomatische Korrespondenz" expresses surprise that Poland did not immediately accept the proposals and that Col. Beck's speech did not offer any valid reasons for the refusal. There are further German reports of terrorism in Poland.

TWO ROADS

WARSAW, May 7 (Reuters)—"It is now for Germany to speak" writes the newspaper "Dobry wieczor." "The world is agreed that Berlin should furnish proofs of understanding with Poland is really desired."

The "Wieczor Warszawski" declares: "Berlin has now to choose between two roads, of which one is the road to peace."

The Conservative paper "Czas" thinks that the return to Warsaw yesterday of the German Ambassador, Herr Von Moltke, may mean that further German suggestions are to be expected.

The plenary session of the Chamber has been called for Tuesday for a debate for granting the President special powers and to promulgate decrees for financing defence. The Senate held a plenary session on Thursday.

At Tuesday's meeting, the Government will be given full powers. Yesterday, the Lower House approved of this Bill to which both the Jewish and Ukrainian delegates gave their blessing.

POLISH REJECTION

WARSAW, May 7 (Reuters)—The Polish Government's memorandum, in reply to the recent German note denouncing the German-Polish Agreement of 1934, rejects the thesis that Anglo-Polish understanding is incompatible with the Polish-German non-aggression Pact, which, it says, Herr Hitler had no right to denounce.

The reply adds that if the German Government attaches any value to drawing up in contractual form good neighbourly relations, the Polish Government was ready to consider such suggestions which take account of the Polish point of view.

DANGEROUS SITUATION

LONDON, May 6 (Reuters)—London does not attempt to belittle the dangers of the situation around Danzig territory, says the "Daily Telegraph," but British circles note that the wisdom of precipitating a European war on this flimsy pretext is now the subject of discussion between Germany and Italy.

EVERY PRECAUTION

There is reason to believe that Italian influence is directed to persuading Hitler that negotiation would be more prudent.

While every precaution is being taken to meet all eventualities or sudden developments, the belief is current in well-informed quarters, the correspondent adds, that a violent solution is unlikely to be sought immediately.

AMERICAN PILOT KILLED IN CHUNGKING

CHUNGKING, May 7 (Reuters)—It was disclosed to-day that Weigle, an American pilot who joined the international volunteer bombing squadron was killed here on Thursday when his plane crashed.

He was the only member of the squadron to remain with the Chinese Air Force after the squadron was disbanded.

On Thursday evening when the Japanese raiders were approaching Chungking, Weigle took off in a training plane and while taking a sharp turn the engine stalled and the machine crashed, killing the American pilot instantly.

Weigle had many friends among foreign circles here.

AVIATRIX INJURED

CHUNGKING, May 7 (Central)—A brief Washington dispatch states that Miss Li Ya-ching, well-known Chinese aviatrix, was slightly injured during a flight yesterday. She is expected to recover in a few days.

EIRE'S REVENUE DEFICIT

DUBLIN, May 7 (Reuters)—On the present revenue basis, the Eire Budget will be some £10,000,000 short and this will have to be found either by more taxation or borrowing.

The Deputy Premier of Eire, sailed for New York yesterday where he will open the Eire Pavilion at the World's Fair. He is taking the place of Mr. de Valera, who cancelled his trip at the last moment.

CHINESE CLOSING AGAIN ON NANCHANG: FIGHTING IN CENTRAL HUPEH

KAON, KIANGSI, May 7 (Central)—Hostilities have again been brought to the immediate outskirts of Nanchang as a result of the fresh Chinese counter-attacks.

The Chinese are closing in on the city from the west, east and south. Vanguards of the Chinese units driving from the east have reached Chingnan Road, east of Nanchang.

Chinese units to the west of hostilities are kept up on various fronts.

The Chinese counter-drive in central Hupeh has reaped tangible results. The Chinese right wing has cut the Hankow-Tchang highway and has "mopped up" the Japanese at Yunglungsho and Yangchiachang, important points on the highway. The Chinese left wing is engaging 1,000 Japanese at Taerhwan, north of Suhsien.

Other Chinese units are assaulting the Japanese troops scattered along the Kiangmen-Chungshiang highway.

In north Kiangsi the Japanese at Fenghsin, 23 miles west of Nanchang, have suffered heavily as a result of the Chinese enveloping attack. Unsuccessful sorties were made yesterday by the Japanese. The town is isolated.

The battle in the suburban districts of Nanchang is showing no sign of abatement. One hundred remnant Japanese troops lingering at Suichiaikai have been cleared off.

The Japanese in the vicinity of Heilungkwan, north-west of Linfen, are reported to have used gas shells during an engagement with Chinese units there on Tuesday.

However, they were defeated by the Chinese and retreated towards Hedungkwan.

IN WEST SHANSI

In west Shansi, the Chinese have been staging a series of raids on the Japanese between Chungyang and Lishih, inflicting heavy losses upon the enemy. During an offensive on a blockhouse near

TANGIBLE RESULTS

CHUNGKING, May 8 (Central)—Military reports indicate that

A tea party was held on Friday afternoon when the Hongkong Branch of the Sino-American Institute of Cultural Relations was formally inaugurated. The Hon. Sir Shouson Chow (above centre seated) presided.

"WE MUST BE READY"

LONDON, May 7 (Reuters)—Sir John Simon, speaking at Great Yarmouth yesterday, discussed the decision to introduce conscription.

He said that the reason was that, with the speed with which events moved to-day, they must be ready in the very first hour.

They could not begin, as Lord Kitchener did in 1914, after a war was started. It was now necessary to show the country's strength immediately.

Shark Caught Outside H.K. Harbour

Mr. Wong Kok-chin, of the Sun Company, who last year was successful in catching fire sharks within the waters of the Colony, made his first big catch this year yesterday when he bagged a shark outside of Lyeemun Pass.

With Mr. Wong in the party were Inspector S. C. Saunders of the police, and Mr. Choi Honkwan.

The shark, which was 5 feet 10 inches in length, and weighing 95 lbs., was caught about one mile north of Lyeemun Pass, and is believed to be from a school.

BRITISH DIPLOMATIC MISSION MEMBERS AID CHINESE WOUNDED

SHANGHAI, MAY 7 (REUTERS)—FURTHER DETAILS OF THE DISASTROUS BOMBING OF CHUNGKING ON THURSDAY were received by Reuters in a message despatched on the night of the raid but only received to-day. The message discloses that the British Ambassador, Sir Archibald Clark Kerr, was not in the Consulate-General at the time it was bombed.

He was at the Foreign Office hostel situated further west, but later in the night got through the cordons thrown around the "fire areas" when he inspected the damage done to the Consulate-General.

At the time of the bombing Mr. H. I. Frédeux-Brune, Acting Chinese Counsellor, was in the compound of the Consulate-General together with Mr. J. D. Greenway, First Secretary, Mr. W. Stark Toller, Consul-General, and Mrs. Stark Toller.

Two bombs struck the building used by the British Diplomatic Mission, but glanced off the roof and exploded on the ground a few yards away. The explosion resulted in the shattering of every glass window of the building.

Four explosions caused damage to the house where Mr. and Mrs. Stark Toller are staying, but neither of them was hurt. Under lantern-light, members of the diplomatic mission and the Consulate-General gave first aid treatment to Chinese who had been wounded in the raid.

Pope Pius And Urge For Peace

BROADCAST TO ALGIERS

VATICAN CITY, May 7 (Reuters)—Pope Pius XII in a broadcast to the French National Eucharistic Conference at Algiers made brief reference to peace "so ardently desired by anxious humanity."

His Holiness urged that the month of May should be entirely devoted to universal prayer in order that there should descend from heaven to earth by the hands of the Immaculate Virgin that peace promised to all men and goodwill, peace in the souls of those troubled by the calls and seductions of false doctrines and peace between nations shuddering in unceasing anxiety.

Intervention In Danzig Dispute

LONDON, MAY 7 (REUTERS)—MESSAGES FROM PARIS ASSERT THE VATICAN IS TO MAKE GREAT EFFORTS TO MAINTAIN PEACE IN EUROPE. A report states that the French Foreign Minister reported to the Council of Ministers to this effect and yesterday M. Bonnet was visited by the Papal Nuncio of Paris.

This, together with the visit to Herr Hitler of the Papal Nuncio of Berlin, is taken as confirmation of these reports.

It is expected that the Pope will broadcast to the Eucharistic Congress to be held in Algiers to-morrow.

INDIANS' SURPRISE WIN IN BOWLS LEAGUE

Other Unexpected Reverses: Season Starts Off Well

The 1939 lawn bowls league season began in earnest in ideal weather on Saturday, when a programme of four matches was played in each of the three divisions. Best performance of the day—and a major upset—was the 16-shots win by Indian Recreation Club over the strong Kowloon Bowling Green Club on the latter's ground.

The Bowling Green, indeed, had a bad day, losing in all three leagues. In the second division Civil Service did well to beat Kowloon Football Club by 33-16 win by T. Carr's rink over R. H. Wild's was sufficient for Kowloon Cricket Club to prevent yet another upset in the third division when they meet the Yacht Club.

SINGLES FINAL TO-DAY

Tsui Brothers Meet: Wai-pui Should Retain Title

BY TAC

For the first time in the history of Hongkong tennis, the Open Singles title will be fought out between two brothers when Tsui Wai-pui (holder) enters the Stand Court at the Hongkong Cricket Club to-day to meet Tsui Yui-pui. It is felt in some quarters, I believe, that the fact of the match being, so to speak, a family affair, will detract much from the interest usually attached to an Open Final. I don't see why it should. Keen enough interest was evinced a few years back when H. D. Rummel met and beat S. A. Rummel to win the title for the first time. Then it was cousins; now it is brothers. Then the main focus of interest was whether H.D. would accomplish what he had never before done—beat S.A. in the Colony tournament. Similarly, I expect many people to pack the Stand Court to-day on the chance of seeing Yui-pui repeat in the Open competition what he has done more than once in "private quarrels."

Wai-pui, must, of course, start favourite, but he would be a brave man who would offer anything more than three to two on the result. I once saw Yui-pui beat the champion in a one-set match when the latter was playing at the very top of his form.

That was in a charity exhibition game at the Chinese Recreation Club less than two years ago. I shall never forget Yui-pui's magnificent stroke-play that day. I have never seen him in that form again. If he does reach it, and maintains it, in any case I confidently predict one of the best Singles finals ever seen on the Stand Court, probably resulting in a win for the holder after a full-distance fight.

How They Reached The Final WAI-PU

Davis Cup Ties

HUNGARY, POLAND LEADING

BUCHAREST, May 6 (T/Ocean)—Two long, drawn-out games marked the first day's play in the Davis Cup encounter between Hungary and Rumania, in which Hungary are leading by one match to nil.

Hungary took the first match when the Rumanian player Schmidt injured his foot in the fifth set and retired when his opponent, Gabory, was leading 6-4, 6-4, 4-6, 2-6, 2-0.

The second match, between Caraulu (Rumania) and Asboth (Hungary), had to be abandoned owing to bad light when the Rumanian was leading 6-1, 3-6, 9-7, 8-10, 3-1.

TWO MATCHES POSTPONED
AGRAM, May 6 (T/Ocean)—Rain caused the postponement of the start of the Davis Cup match between Yugoslavia and Ireland. The first two singles matches will be played off to-day (Saturday) when Lyttleton Rogers meets Mitic and Egan plays Puncer.

VIENNA, May 6 (T/Ocean)—The German-Swiss contest in the Davis Cup series could not be begun yesterday because rain left the courts completely under water and utterly unplayable. The opening match will therefore be staged to-day (Saturday) when the German Roderich Menzel will meet the Swiss Boris Manett.

POLAND LEAD
WARSAW, May 6 (T/Ocean)—Poland are leading Holland by 2 matches to nil at the end of the first day of the Davis Cup encounter.

Count Bavarovski beat Van Swol 9-7, 6-3, 6-0 and Tloczynski beat Hushan 6-0, 6-2, 6-1.

JAPAN WITHDRAWS
TOKYO, May 6 (T/Ocean)—Japan has withdrawn from the Davis Cup series states a report here yesterday. Reason given is that her best player, Jiro Yamagishi, will not be available, having just entered a Naval School.

Japan's withdrawal has allowed the winners of the Cuba-Canada tie, who were to have played against Japan, to enter the North American Zone Final.

LATER RESULTS
WARSAW, May 7 (Reuter)—By winning the doubles on Saturday, Holland reduced by two to one, the lead which Poland had gained on the first day of their Davis Cup tie here.

The Dutch pair, Swol and Mughan beat Tloczynski and Hebda 6-4, 12-10.

GERMANY LEADS
The tie between Germany and Switzerland, the start of which had been delayed by rain, began under ideal weather conditions yesterday with the encounter R. Menzel and the No. 1 Swiss player Boris Manett.

Menzel won in five sets, beating his opponent 6-8, 6-3, 5-7, 6-2, 6-3.

The second singles also went to Germany, Kenkel beating Fisher 6-2, 2-6, 6-1, 6-3.

Germany thus leads by a match to nil.

YUGOSLAVIA VS. IRELAND
Yugoslavia established a lead of two to one over Ireland at the close of the first day's play in the Davis Cup tie.

Mitic beat Rogers 7-5, 6-2, 3-6, 3-6, 6-3, while Puncer beat Egan 6-2, 6-1, 6-4.

HUNGARY LEADS RUMANIA
Hungary was leading Rumania by 2 to 1 at the close of the second day's play.

Asboth (Hungary) beat Caraulu (Rumania) 1-6, 6-3, 7-9, 10-8, 6-4.

In the doubles, Schmidt and Caraulu (Rumania) beat Dallos and Cziklos (Hungary) 4-6, 6-2, 6-2, 6-4.

SLOW SOCCER AT VALLEY

EASTERN BEAT MACAO

A fairly large crowd was present at the Club ground, Happy Valley, yesterday afternoon to witness a friendly football match played between the Eastern Athletic Association and the Associao de Football de Macao, resulting in a win for the Eastern by two goals to one.

The football never at any stage of the game reached a high standard and the somewhat slow pace maintained throughout may be attributed to the extreme heat.

Mr. Chan Lan-fong kicked off.

In the opening stages, both goalkeepers acquitted themselves very well particularly the Macao custodian. Midfield play became the order for a long while but the players on both sides were too slow and many opportunities went astray.

Following a fine movement, Ng Gih-chuang netted for Eastern who maintained the lead up to the interval.

On resumption, exchanges were better and gave promise of a higher standard but this was not kept up and the game once again became very drab and slow.

Chan Bing-to did good work on the home team's right wing and from one of his many fine passes Yue Hop-hing found the net. Before the end, Guerreiro the Macao centre-forward scored the visitors' solitary goal.

Macao were best served by their backs, Chiang Shan-ching and Francisco Lobato, while across was a hard working pivot.

Hsu King-shing was outstanding at centre-half for Eastern, and among the forwards Chan Bing-to, Lee Tacky and Yue Hop-hing shone.

The teams were as follows:—Macao:—Delfin, Carvalho, Chiang Shan-ching, Francisco Lobato, Antonio Nito de Sousa, Alexandre Alrosa, Americo Cordoas, Manuel Rego, Artur dos Santos, Fernando, Guerreiro, Antonio Colacao (Capt.) and Joao Lopes.

Eastern:—Lau Hing-hung, Tsang Chung-wan, Lo Wai-uen; Lau Shih-tsai, Hsu King-shing, Chan Yiu-kuan, Chan Bing-to, Ng Gih-chuang, Lee Tacky, Yue Hop-hing and Wang Man-kwe.

Mr. Luis Antonio de Mello was manager, coach and secretary of the Macao team.

SOUTH CHINA WIN FROM NAVY

Friendly Soccer

South China beat Royal Navy by 6 goals to 3 in a football match at Caroline Hill on Saturday afternoon.

The game was very even during the first half, only goal scored being that by Yeung Shui-yick, South China's right-winger.

After the resumption, Kwok Ying-ki, centre-forward, netted South China's second goal, but a few minutes later Hesselton, centre-forward, replied for Navy and Cuthbert, left half, equalised the scores.

Yeung Shui-yick scored again, following which Cheung Kam-hoi, inside-right, increased South China's lead with two successive goals. Armstrong, right-winger, managed to break through and netted Navy's third and last goal. Just before the end South China scored again, through Kwok Ying-ki.

ARMY SOCCER FINAL

The final of the Army Football League at Sookunpoo on Friday resulted in a win for the 24th Heavy Battery R.A. who defeated 27th Company, R.A.M.C. by four goals to one.

AMENDMENT TO EVICTION ORDINANCE

The "Government Gazette" publishes the draft Bill of an Ordinance to amend further the Prevention of Eviction Ordinance, 1938, as amended by the Prevention of Eviction Amendment Ordinance, 1939.

Be it enacted by the Governor of Hongkong, with the advice and consent of the Legislative Council thereof, as follows:—

1. This Ordinance may be cited as the Prevention of Eviction (No. 2) Amendment Ordinance, 1939.
2. Section 8 of the Prevention of Eviction Ordinance, 1938, as renumbered by section 3 of the Prevention of Eviction Amendment Ordinance, 1939, is amended by the substitution of the words "first day of June, 1940," for the words "first day of June, 1939."

OBJECTS AND REASONS

1. Section 8 of the Prevention of Eviction Ordinance, 1938, as renumbered by section 3 of the Prevention of Eviction Amendment Ordinance, 1939, provided that the Ordinance should continue in force until the first day of June, 1939, and no longer, unless otherwise provided by Ordinance.
2. The object of this Bill is to extend the period of operation of the Ordinance for a further year.

Slimming Is Divorce Cause

—SAYS DOCTOR

"Don't blame the slim modern girl who finds herself in the divorce court, blame her slim mother."

So said Dr. Doris Mart, talking on sex education at a meeting in London recently in co-operation with the British Council of Hygiene.

"The birth of a baby is more difficult if the mother has a slim figure," she said. "And men will marry this slim type nowadays, so more and more slim girls are born and the whole problem becomes worse and worse."

"The baby is in more pain at a difficult birth than the mother. My theory is that the child never forgets the pain it felt when it was born, it remains in the sub-conscious mind."

"When the child grows up and marries, he or she will be frightened of birth and the marriage will go on the rocks."

"The pain the child experiences is a feeling of fire round its head, and the child will subconsciously ask its mother about it as it grows up."

"ALL THROUGH SLIM FASHION"
"He may repeatedly draw pictures of bonfires, and I have met cases where the child has set light to things."

"I cured one child who had been accused of arson. I traced it down to the mother not telling the child that it had had a painful time at birth," she said.

"The fashion of the slim figure first caused all these troubles."

"In the majority of cases mothers have anaesthetics when their children are born, but one that is suitable for the baby has yet to be found."

"The divorce rate would go down tremendously if an anaesthetic for a baby could be found."

Several women—schoolteachers, mothers and district workers—crowded round Dr. Mart after her talk to thank her for her help.

SOLUTION TO-MORROW.

ARMY SERVICE ABROAD CUT TO FOUR YEARS

Reservists Asked To Rejoin Colours

Reduction of foreign service from six years to four years was one of two reforms announced by the War Office on April 19.

This comes into force next trooping season and affects all warrant officers, N. C. Os and men going abroad on a normal tour of service.

Those now serving abroad will also benefit, as they will come home earlier by yearly batches, beginning with those who have been out longest.

Units on the Home Establishment on temporary duty overseas—Palestine, for example—cannot usually count such overseas service towards their normal four years abroad.

THREE MONTHS' LEAVE
If, however, a soldier has completed a four-year tour abroad and is due to be posted to unit on temporary duty overseas, not expected back during the same trooping season, he will be given three months' furlough in this country before joining his unit.

The other reform says that any soldier now in his last year of service, will be allowed to extend it—and will, subsequently, be allowed to re-engage to complete 21 years' service. He then becomes eligible for a pension.

Regular Army Reservist with a character of not less than "good" have been offered the opportunity of rejoining to complete 12 years with the colours. They, too, will be allowed to re-engage and get a pension.

URBAN COUNCIL MEETING

The Urban Council will meet to-morrow at 4.15 p.m. Orders of the day are as follows:—

Correspondence relative to the appointment of Mr. C. Champkin to serve on the Select Committees for Cemeteries, Factories and Workshops, and Wells and Pools in place of Mr. L. C. F. Bellamy, M. C.

Correspondence relative to the proposed erection of a public flush latrine and urinal on a site at the eastern end of Lower Lascar Row, adjacent to the Central Theatre.

Applications for a restaurant licence for No. 135, Connaught Road Central, ground floor; food factory licence for No. 25, Yen Chow Street, third floor, and for No. 195, Tai Nan Street, ground floor; milk shop licence for No. 13, Tin Lok Lane, ground floor; food preserving licence to manufacture Gourmet Powder in the premises on Lot No. 735, S. D. 1, Sheung Sha Po, Kowloon City.

FIRST-WOMAN PROFESSOR FOR CAMBRIDGE

LONDON, May 7 (Reuters).—For the first time in the history of Cambridge University, a woman has been appointed to a professorship. She is Miss Dorothy Annie Garrod, M.A. (Cantab.), B.Sc. (Oxon.), who has been appointed to succeed Professor Minns in the Disney Professorship of Archaeology, one of Cambridge's oldest professorships.

Miss Garrod made resounding and archaeological discoveries of great importance in the Balkans last year and found 50,000-year-old caves, which yielded data linking cavemen of the Balkans with Palestine and the East.

ANNUAL "BROWNIE" REVELS

120 Compete For Totem

During the hot afternoon, on Saturday, at Sandilands Hut, approximately 120 "brownies" from all sections of the Colony gathered to compete for the Totem. The occasion was the Annual Brownie Revels.

Lady Pollock, guest of honour at the revels, was welcomed by the whole troop with the "Brownie Song."

Games of various descriptions, including relays and parcel events, were part of the afternoon activities. The outstanding competitions were "Organization and Knowledge of 'Brownie' Work," a drawing contest and one for doll dressing.

The Hellions Girls' School (5th Hongkong) Pack were the winners of the Totem by 74 points. The Kowloon 1st (British) Pack ran a close second in the competition with 71 points.

Mrs. Buckwell, Acting Commissioner of Brownies, spoke a few words of gracious thanks to Lady Pollock for her interest and presence in closing the meeting.

ART EXHIBITION

The Hongkong Working Artists' Guild announces that, as from Saturday, May 13, till Monday, May 15, they will present an Exhibition of water colours and oil paintings by Ernie Freedlander who recently arrived in the Colony from Europe.

The process of this artist's work is quite novel for unlike the ordinary direct painting on canvas she paints on the glass the finished work and transfers this on to a special kind of paper.

The Guild has requested Ernie Freedlander to explain and demonstrate her method to its members at the Guild Studio at 51 Gloucester Road on Tuesday evening, and this will no doubt afford them a great opportunity of acquainting themselves with such a novel method.

Mrs. Timberline, of No. 184, Nathan Road, was the victim of a bag-snatcher on Friday. The snatcher, who was caught by an Indian soldier, was sentenced at the Kowloon Court, to four months' imprisonment with hard labour.

WOMAN "TENANTS' K.C." REBUKED IN COURT

Mr. Norman Birkett, K.C., and Mrs. Elsy Florence Eva Borders, known as "the Tenants' K.C.," had a verbal duel in the King's Bench Division on Mar. 1.

Mr. James Walter Borders, taid driver husband of Mrs. Borders, of Kingsway, West Wickham, Kent, claimed damages from Trotter, Leaf and Pileatn, solicitors, of Victoria-street, Westminster. He alleged that a letter written to the Bradford Third Equitable Building Society in January 1935 was libellous of him.

When Mrs. Borders gave evidence, Mr. Birkett, (for the defence), said: "You have acquired the title of 'The Tenants' K.C.'?"

Mrs. Borders—I have heard of it.

All the world knows of it?—Thank you.

You are a woman of strong, independent mind?—I would

DIAMONDS FROM THE KING FOR PRINCESS

Princess Elizabeth on her 13th birthday, spent the day with the King and Queen and Queen Mary at Windsor Castle. The King's birthday present was a diamond bracelet. The Queen gave her clothes, including silk stockings.

From Queen Mary came a silver dressing set. The Duke and Duchess of Windsor sent her a cine camera.

Princess Elizabeth also received scores of other presents from all parts of the country, and messages from all over the world. But, according to Royal custom, she will keep only presents from relatives or friends. The others will be returned, with a note of regret, or, if the senders cannot be traced, will be given to hospitals.

As always on her birthday, Princess Elizabeth watched the Changing of the Guard in the Grand Quadrangle.

Princess Elizabeth and Princess Margaret also went with the King for a canter in Windsor Great Park.

LOVELY LACE

Lace trimming is much in evidence this season, and adorns not only dresses but hats. An alliance of shiny black straw and white lace makes an attractive model, the crown of straw and the curly brim of stiffened lace. Rather quaint is a black straw bonnet with narrow frilled lace edging and cerise velvet ribbon ties.

Insets of narrow lace on a muslin blouse suggest a little round yoke, which is matched by lace trimming on the short sleeves. The blouse is worn with a fine black wool suit, the skirt of which is quite plain, but the jacket having a novel hip pocket at the back, into which is tucked a frilly white lace handkerchief.

Yet another "lace" idea—this time for evening occasions—consists of a fitted black silk jacket, waist length, with wide cuffs on the short sleeves and a large jabot of openwork hand-made lace. The coat accompanies a black silk dress, with puff sleeves of lace, and with a scrap of matching lace slipped into the front seam of the skirt to look like a tiny handkerchief.

MRS. EINSTEIN'S THEORY

Sir Arthur Eddington, the scientist, told this story when he opened a new observatory at Glasgow University recently.

When Mrs. Einstein visited the Mount Wilson Observatory, in California, she was shown the gigantic 100in. telescope with all its elaborate equipment and devices.

After duly admiring and marvelling at it, she asked: "What is it used for?" They told her that one of the main purposes was to find out the shape of the universe.

"Oh," said Mrs. Einstein, "my husband does that on the back of an old envelope."

FOURTH EXTRA RACE MEETING IN IDEAL WEATHER: HUGE CROWDS

Good Finishes: Substantial Cash Sweep Prizes

MR. ENCARNACAO, MR. NEEDA, EACH SCORE THREE WINS

IDEAL WEATHER AND THE PROSPECT OF SOME FAST RACING brought the best crowd thus far in the season down to Happy Valley for the 4th extra race meeting on Saturday. A number of good finishes were seen but, though the course was fast enough, times on the whole were disappointing.

Dividends were on the whole fair but there was nothing over \$60. Advancing Time, though ridden by a novice, Mr. Ho Hong-ping, beat a field comprising Strathbannock, Ebony Idol, Night View and other good ponies in the first section of the Talmoshan Handicap, causing an upset in the second leg of the Daily Double.

This resulted in the correct combination, Some Hope (in the Hunchbacks Plate), and Advancing Time paying \$397.60 to the 18 successful nominators.

Mr. C. Encarnacao and Mr. V. Needa shared win honours with three each, the former's handling of "Some Hope" being extremely well-judged. Mr. Needa, also, owed two of his successes to his own fine judgment.

Cash sweeps were well worth winning. The first prize on the last race was \$4,000.20, five others were each over \$2,000, two were over \$1,900, and one over \$1,700.

RACE ONE

MOUNT GOUGH HANDICAP

English Cavalier (Mr. Encarnacao) always had this race in hand, though Hectic View (Mr. H. C. Pih) challenged strongly at the end.

The winner got in front shortly after the start, kept up an easy stride and had plenty in reserve to meet the View pony's bid. One and a half lengths behind Rose Emily (Mr. W. G. Poy) was beating Forgotten Star for third place.

There appeared to be something wrong with Papoose, ridden by Mr. Black. It never went at more than an amble and when the winner passed the post it had not reached the Village Bend!

1.—Mount Gough Handicap (14 Miles)

Mr. Eu Tong-sen's English Cavalier, 153 lbs. (Mr. C. Encarnacao) 1
Mr. Lan's Hectic View, 188 lbs. (Mr. H. C. Pih) 2
Mr. Eu Tong-sen's Rose Emily, 154 lbs. (Mr. W. G. Poy) 3
Won by 1 1/2 lengths, the same between second and third.
Time: 2:35.
Parimutuel:—
Winner: \$17.10.
Places: \$5.50, \$5.40, \$6.

Also ran:—Forgotten Star, 148 lbs. (V. V. Needa); Jillian, 158 (S. L. Yuen); Papoose, 161 (D. Black).

Betting	Win.	Place.

Jillian	20	31
Papoose	23	53
Rose Emily	219	278
Total	2,668	2,338

RACE TWO

MR. DAVIS HANDICAP

Lying lengths behind after half the distance had been done, Celtic Star (Mr. V. V. Needa) and Rose Jane (Mr. Encarnacao) staged a fine chase to finish first and second. The respective jockeys each rode an "exceedingly well-judged" race and their spurt, begun at the Bend, carried all before them.

At the same time Scenic View (Mr. Pih) was coming through very fast and Pinfarthings (Mr. Churchill) which had been leading all the way, only just managed to place third.

2.—Mount Davis Handicap—"C" Class—1st Section (From the Two Mile Post, Once Round and In)

Mr. S.L.K.'s Celtic Star, 148 lbs. (Mr. V. V. Needa) 1
Mr. Eu Tong-sen's Rose Jane, 165 lbs. (Mr. C. Encarnacao) 2
Mr. J. M. Smith's Pinfarthings, 161 lbs. (Mr. C. F. H. Churchill) 3
Won by 1 length, two lengths between second and third.
Time: 2:13.4.
Parimutuel:—
Winner: \$24.30.
Places: \$8.20, \$5.60, \$7.

Also ran:—Galveston Bay, 149 lbs. (D. Black); Rose Evelyn, 158 (W. G. Poy); Scenic View, 150 (H. C. Pih).

Betting	Win.	Place.
Celtic Star	695	599
Galveston Bay	139	126
Pinfarthings	783	378
Rose Evelyn	188	173
Rose Jane	1,544	1,303
Scenic View	475	519
Total	3,820	3,098

RACE THREE

A brilliant piece of riding at the finish by Mr. C. Encarnacao on Rose-Queen brought that pony home in the last few lengths in this event.

Laughing Girl (Mr. S. C. Liang) had looked a likely winner at the Public Stand but Mr. Encarnacao had been watching it close, followed it as it went ahead and passed it through a gap. Bistre, second favourite, at this stage looked as if it would place, but Bright View (Mr. Y. T. Fung) also passed it.

3.—Brisbane Spring Handicap (14 Miles)

Mr. Lan's Courting Eve, 158 lbs. (Mr. H. C. Pih) 1
Mr. Lucky's Lucky Lad, 162 lbs. (Mr. V. Needa) 2
Mr. Commodities' Snowy River, 157 lbs. (Mr. A. W. Raymond) 3
Won by 1 1/2 lengths, 2 1/2 lengths between second and third.
Time: 2:15.1.
Parimutuel:—
Winner: \$36.20.
Places: \$12.50, \$6.90.

Also ran:—Strathroy, 155 lbs. (D. Black).

Betting	Win.	Place.
Courting Eve	483	155
Lucky Lad	1,359	603
Snowy River	313	119
Strathroy	1,810	509
Total	3,965	1,386

RACE FOUR

"HUNCHBACKS" PLATE (1st Leg Daily Double)

A field of 23 starters lined up for the first selected race in the Daily Double—by far the largest field thus far.

Mr. Charlie Encarnacao again rode a fine race to bring Some Hope home a neck in front of Heddon (Mr. Wei).

Mr. Needa on Gog was third two lengths behind.

RACE FIVE

BRISBANE SPRING H'CAP

Setting the pace, and holding it, Mr. H. C. Pih won this event on Mr. Lan's Courting Eve. Lucky Lad (Mr. Needa) offered a very strong challenge at the end but the winner was full of finish and held on by a length and a half.

There were only two other starters, Strathroy and Snowy River (Mr. Raymond). The former was prominent for three-quarters the distance but, though favourite, could not stand the pace.

HONGKONG, MAY 8, 1939

BRITISH TRIBUTE TO CHINA

BRITONS and Chinese alike will welcome the warm and sincere expression of sympathy voiced by Lord Chatfield, H.M. Minister for the Co-ordination of Defence, at the annual dinner of the China Society in London last Wednesday. An admiral by training and a man who prefers action to words, Lord Chatfield is not accustomed to making flowery speeches of eulogy. When he says a thing, he means it. Hence, his sincere and frank words must be taken not as a mere gesture but a true indication of the trend of public feeling throughout the British Empire and of the desire of the British people to strengthen the bonds of friendship which exist between the great western Democracy and the great Far Eastern Republic. His graceful tribute to the Chinese people and to their great leader, Generalissimo Chiang Kai-shek, is exceedingly gratifying and his words of comfort for the Chinese people in their lone struggle against violent unprovoked aggression by a unscrupulous invader will find the fullest support among all self-respecting Britons.

COMING as they do from a member of the British Government, such fervent and friendly words will undoubtedly carry considerable weight and (as the "Manchester Guardian" rightly pointed out) will never be wasted. The Chinese, who are particularly sensitive in this respect, will be glad to hear at least from a member of Mr. Chamberlain's Cabinet that our sympathy is based not solely on the extent of our economic interests.

WITH Lord Chatfield's words "In this time of trial, we have the greatest admiration for the way you resolutely laid aside the pen to girt the sword" all Britons will wholeheartedly concur, while the Chinese people will find consolation in his confident statement, "But we believe that, just as the man who wrestled with trials will be stronger for having overcome them, so China will come through the struggle with new experience and new courage."

THE BREVITY of the Defence Co-ordination Minister's address has not reduced its great value by a single iota for we now see more clearly than ever before exactly in which direction the wind is blowing. Numerous expressions of sympathy for the Chinese people have been made in the past but never before has there been an open expression which will carry so much weight as that of Lord Chatfield. It is hoped that it will not be the last.

EXISTING cordial relations between China and the British Empire, already tightened as a result of the recent acts of co-operation and practical help which Great Britain has accorded to China, will be further strengthened by such frank and fervent expressions of sympathy and friendship. China looked to Great Britain for aid and she was not let down. The practical manifestations of friendship and aid such as we have witnessed in past months and the generosity of the British people in contributing towards the relief of the suffering Chinese, are not likely to be easily forgotten by the latter who, to

GOODWILL TELEGRAM TO CHINA

STRUGGLE AGAINST AGGRESSION

LONDON, MAY 7 (REUTERS).—A GOODWILL TELEGRAM WAS SENT TO GENERALISSIMO CHIANG KAI-SHEK BY FOUR PEERS, the Earl of Listowel, Lord Strabolgi, Lord Passfield, Lord Snell and 32 members of the House of Commons, including Mr. Wedgwood-Benn and Sir Stafford Cripps.

The telegram reads: "Congratulations on the successful offensive of the Chinese people's army in the united struggle for national independence. The British people appreciate China's part in the world struggle against aggression and in the defence of peace in Europe. We believe that China should be included in any peace pact of Democratic nations."

U.S. MESSAGE

CHUNGKING (Central by Mail).—Under the aegis of the China Aid Council and the Medical Aid for China Committee a conference known as the Pacific Northwest Conference was held at Vancouver B.C. on April 22 and 23 "to unite all efforts in Washington, Oregon, and British Columbia behind a determined drive to close Pacific ports to shipments of war material to Japan."

The following message was sent by Generalissimo and Madame Chiang Kai-shek to the Conference:

"In extending greetings to the Pacific Northwest Conference may we, on behalf of the Chinese people, express the hope that success will crown the efforts of the Conference to have Pacific ports closed to the shipments of war materials to Japan."

DEMOCRATIC POLICY

"Had the Democratic Powers adopted such a policy long ago to mark their refusal to acknowledge the right of any Power to invade a weaker neighbour, China would not have been desolated; occidental prestige in Asia would not have been overthrown; small nations in Europe would not have been robbed of their independence, and the world would not have been confronted, as it is to-day, with the most colossal calamity that has ever menaced its people."

"To help China now to cripple Japan would be to help Democratic nations to preserve their entities and their peace. To continue to help Japan with materials of war to devastate and conquer China will be to sow dragon's teeth in all corners of the earth which will arise to crush liberty and destroy civilization."

INDIA URGED TO STAND BY BRITAIN

Premier Of Punjab's Speech

SHOLAPUR, May 7 (Reuters).—"It would be dishonest and unfair to India if she refused to participate in any war in which Britain may be involved," declared the Premier of Punjab, presiding at the All-India Moslem League Conference.

He uttered this warning against unpreparedness or vacillation among Indians in the present international juncture and said that such unpreparedness would tempt greedy and unscrupulous aggressors.

"Patriotic Indians could not stand by idly, leaving the liberties and safety of the country to the mercy and vagaries of others," he concluded.

Hello & Goodbye

(BY A. W. HYER)

Summer struck Hongkong full force over the week-end. This week while meeting the exciting and large Honolulu Clipper's passenger list, and bidding adios to the completely full Empress of Japan on her homeward journey, all our air-conditioning apparatus will be brought into use.

This summer's travelling public is reported, by the looks of reservations, to be making a new high mark, that means few cool hours under the palm tree with a book and apple, for yours truly, the news-sleuths.

SATURDAY, 7 a.m., the German motorship was in from Shanghai and tied up at pier No. 1. Mr. Kurt Schaefer, manager of Kunst and Albers in the Northern city came south on a business call. The engineering business is doing quite well.

Others who disembarked were Mr. Charles Carroll and Mr. and Mrs. Wolfgang Sommer who evidently like to see the sun rise. Packed, breakfasted and away were these Shanghai visitors before eight o'clock in the morning.

Europe-Bound
SATURDAY afternoon several hours before the sailing hour, 6 p.m., practically everyone suffering from the hot day was over in the cool saloon of the Gneisenau tasting German beer.

Mr. W. Weber, number one of Deutsche Farben Waibel and Co. in Shanghai, was passing through on his way to Berlin. Over fifty people toasted "this charming" middle-aged gentleman. It was quite an international "goodbye" party for the German chemical executive.

Another large "bon voyage" gathering was for Mrs. Chen Suiying Woo, wife of the number one of the Chinese Travel Service. Seventy-five baskets of flowers lined the port hall-way on "Bye-bye" where the lady's cabin was situated. The array was truly beautiful, but the combined odours were a bit heavy on the hot afternoon. Travelling for one year through Europe, America and Canada is also, Mrs. Woo's young daughter Miss Ann Woo and her nurse. This little tot will have plenty to see, but undoubtedly, she will not remember many of the important events in her journey. One and a half years in age she will enjoy the sea-air with plenty of naps and meals.

Two small little girls (twins) are travelling with their parents, Mr. and Mrs. E. Muck to Genoa. The young members will have plenty of fun, as the German motorship has a large population of "the younger generation" on board this trip. Mr. Muck, of Reuter, Brockmann and Co., is returning home for holidays.

Now, just who is Mr. A. H. White? Many residents came down to the shipside to give him a joyful send-off with best wishes for his coming journey to Southampton. It is holidays for the Government member.

Mr. and Mrs. R. Perry, full of smiles and good cheer were quite excited over the forthcoming vacation and their trip to Southampton. The member of the Chinese Maritime Customs think holidays, long ones, are one of the better inventions in this 20th century!

THE INFORMATION on Friday concerning the Empress of Japan's and Empress of Russia's skippers was a little out of line! Captain Douglas, of the Empress of Japan, does not turn over his duties to Captain Patrick until the end of summer, the latter, a little Irishman, now being on vacation. Captain Thomas, former staff-captain on the Empress of Japan is bringing the Empress of Russia to Hongkong on the next voyage.

According to a certain news agency report a sailor from the Empress of Japan was stated to have been arrested in Yokohama for unbecoming conduct to a passport official! Unfortunately it was the third officer on the Empress of Japan, however, and he in no way molested the Japanese official. The incident which caused grievance was purely unintentional and he has now been released and is now on his way to Vancouver by the Empress of Russia.

MILTON INSTITUTE CHINESE CARTOONS ON EXHIBITION

The exhibition of modern Chinese cartoons which opened for a five-day display at the Central Theatre yesterday, is of general interest to the Colony.

The exhibition was arranged by the Chinese National Cartoonists Association. About sixty representative sketches by the nation's foremost cartoonists are on display, being all done in canvas in poster size, with several in full colour.

The central theme of the exhibits is the heroic resistance put up by the Chinese during the war, indicating what China's cartoonists had contributed to the national cause in the past two years.

The exhibition is open to the public, admission being free. Such education. Special arrangements had been made with the Milton University, one of the larger and recognized institutions of higher learning in the U.S.A., with 92 years of continuous success, to extend its courses of studies here. Upon the fulfilment of all prescribed requirements, it would confer upon students the regular degrees.

An enjoyable musical entertainment followed.

HAPPY VOYAGE BEGUN UNDER PERFECT AUSPICES

KING AND QUEEN SAIL FOR CANADA

LONDON, May 7 (REUTERS).—REUTERS SPECIAL CORRESPONDENT ON BOARD THE EMPRESS OF AUSTRALIA radios that when Their Majesties came on board they found every detail in the two Royal suites complete for their comfort and convenience. The 1,000 men working on board had converted the vessel, in the short time available, from a passenger liner to a Royal yacht.

Both suites were gay with masses of flowers, but were furnished with a view to practical comfort rather than luxury, the predominating colour being cream and dove-grey.

Everything was prepared to the last detail of a special plug for the King's electric razor and a wireless set with a complete list of all the Empire Shortwave Broadcasts.

The King and Queen dined quietly last night with the members of the Royal suite and afterwards listened to a concert of classical music.

PERFECT AUSPICES

All on board have settled down to what promises to be one of the happiest voyages begun under perfect auspices. Earlier Their Majesties watched the Atlantic Fleet's farewell from the bridge. The King used a pair of field glasses and the Queen wore dark glasses as a protection against the bright evening sun.

As the great liner passed, cheers from the ratings manning the warships were heard clearly and the band of the battleship played the National Anthem.

As the liner left the Atlantic Fleet at about 6.30 p.m., the Empress of Australia increased her speed to 17 knots, which will be maintained throughout the night. The escorting vessels, H.M.S. Glasgow and H.M.S. Southampton, are mounting guard on each side, with H.M.S. Repulse following astern.

HAPPY FAREWELL

The farewells between Their Majesties and the little Princesses was most happy. The Princesses accompanied Their Majesties and inspected the Royal quarters and then the whole Royal Family was photographed.

When the time came to say good-bye, Princess Elizabeth threw her arms round the Queen's neck.

"THE TIMES" COMMENT.

LONDON, May 7 (BWS).—"The Times" in a leading article says: "While the storms beat upon the ramparts of civilization, the long journey of the King and Queen will help to demonstrate how large is the area of the world's surface within which the institutions of peace have been well and truly

laid and whose peoples cherish the aspiration of using their influence to widen the boundaries of human fellowship.

"The King will be welcomed not as visitor, still less as representative of overlordship in another hemisphere, but as the natural head of Canadian society and the embodiment of Canadian national life. He will take counsel with his Ministers and perform great acts of state in Ottawa, where the people may be trusted to make him feel that this, in as full sense as Westminster, is both his capital and his home.

"He will visit all nine provinces of the Dominion, moving among people as he is, accustomed to move among the people of England as both their leader and their friend."

VISIT TO U.S.A.

Referring to the visit to the United States and to the notable panorama of American life at the New York Fair, "The Times" recalls that a copy of the Magna Carta on exhibition there commands veneration, due to one of the scriptures of American liberties.

Pressure of alien ideas from without has made both nations more conscious of the profundity of that which they held in common. The bond is no longer in any significant sense one of blood. Rather is it faith in peace and liberty and rule of law in a state made for the people in the rights of the humble and inherent dignity of human personality.

AMERICAN INTEREST

WASHINGTON, May 6 (Reuters).—Interest in Their Majesties' visit is increasing hourly, and all newspapers are carrying innumerable stories from England and Canada. Radioed photographs of the Queen will be eagerly scrutinized by society editors, as Her Majesty's wardrobe is expected to set the trend of coming American fashions.

When Their Majesties visit Washington they will be formally met by President and Mrs. Roosevelt, members of the Cabinet, diplomats and Congressmen. There will be a ceremonial procession escorted by cavalry, armoured cars and 30 tanks to the White House, where Their Majesties will be guests of President and Mrs. Roosevelt during their stay.

NO AIR DEFENCE NEAR CHUNGKING CONSULATES

CHUNGKING, May 7 (Central).—Japanese allegations that there were anti-aircraft guns near consulates in Chungking were denied in Chinese official circles.

For the safety of the consulates no Chinese air defence units had ever been placed around them, these circles asserted.

They charged the Japanese with purposely making such false accusations both to deceive the public and to shirk their responsibility for the bombing of foreign property.

WANG AGAIN IN THE NEWS

INDUCES YUNNAN GOVERNOR TO REVOLT

KUNMING, May 6 (Central).—Attempts made by Wang Ching-wei, expelled Kuomintang leader, to induce Gen. Lung Yun, Chairman of the Yunnan Provincial Government, to revolt against the Kuomintang and the State are disclosed by Gen. Lung.

The Yunnan Chairman has just published his reply to a letter from Wang dated March 30 in Hanoi, enticing him to start a revolt. Recalling Wang's passing through Kunming on his way from Chungking to Hanoi, Gen. Lung said that he was then taken aback by his talk of "peace" with him.

After Wang's departure, Chen Kung-po, one of his close associates, arrived in the Yunnan capital and talked further to Gen. Lung about the same matter.

Upon the assassination of Tseng Chung-ming, Gen. Lung sent a delegate, Mr. Li Hung-mou, to Hanoi to express his condolence. Mr. Li was asked by Wang to bring back a personal letter, dated March 30, which enticed him to turn against the Kuomintang and the State and to break down the national unification.

Reaffirming his loyalty to the National Government and his firm conviction of the importance of national unification, Gen. Lung said that he would never endanger the State by any subversive activities. He regretted that Wang failed to know him thoroughly. Gen. Lung advised Wang to awaken to his blunder, sever all alleged relations with the enemy and take a trip abroad.

CHINESE PRESS APPEAL

Shanghai Censorship Decision

SHANGHAI, May 6 (Reuters).—The editors of Nationalist Chinese newspapers in Shanghai have decided not to publish any news of a nature liable to censorship rather than submit it to the Municipal Police for approval. They have sent a message to Chungking appealing to the Government to make representations on their behalf to the British and American Ambassadors.

GIBRALTAR, May 7 (Reuters).—An ordinance has been passed giving the Governor the right to demand the production of all telegraphic messages to and from Gibraltar.

Failure to give details will render those in possession of telegraphic facilities liable to imprisonment or a fine.

M. Petain, the French Ambassador to Spain, visited Gibraltar yesterday.

U.S.-CHILEAN ECONOMICS

SANTIAGO, May 7 (Reuters).—The Government has accepted the United States Government's invitation for the Chilean Finance Minister to visit Washington to discuss economic co-operation between the two countries.

The Finance Minister will leave as soon as a plan is formed to rehabilitate Chilean commerce which will serve as a basis for negotiations.

Maximum Resistance To Aggression

Anglo-Soviet Parleys

LONDON, May 7 (Reuters).—Britain's reply to the Soviet proposals will probably be sent to Moscow over the week-end. Lord Halifax is reported to have informed M. Maisky, the Soviet Ambassador in London, in the course of a conversation the nature of the note.

The Anglo-Turkish talks are still going on. Regarding the resignation of M. Litvinoff, the Soviet Foreign Commissar, a statement by his successor is expected to be made on May 25, when the Soviet Supreme Council meets.

LITTLE PROGRESS

LONDON, May 6 (Reuters).—Since M. Maxim Litvinoff, former Soviet Foreign Commissar, handed Moscow's proposals to the British Ambassador on April 16, says the diplomatic correspondent of the "Daily Telegraph," little obvious progress has been made.

However, Britain has been consulting her allies and friends with a view to ensuring that the ultimate agreement shall provide the maximum resistance to aggression.

The British Government adheres to the view that its own system of defensive treaties should be limited to a belt of buffer States between Germany and Russia.

CRITICAL STAGE REACHED

LONDON, May 7 (Reuters).—Diplomatic correspondents and editorialists in the Sunday papers give prominence to the Anglo-Soviet negotiations mostly expressing the opinion that the critical stage has been reached. It seems to be generally agreed that the British Government wishes to confine the agreement to a pledge by the Soviet to aid her Baltic and Balkan neighbours if attacked while the Soviet urges a military pact between the Soviet, Britain and France to which the smaller powers both in eastern and western Europe would be likely to adhere.

The "Sunday Times" diplomatic correspondent says that unless Russia is prepared to compromise there is a danger that the talks may break down and add that the final conclusion of the Anglo-Turkish Pact is dependent upon the course of Anglo-Russian negotiations.

The "Observer" says that Russia has been urging that the small states are waiting to be convinced that the peace bloc is businesslike and trustworthy, that nothing short of a full military alliance of the three Powers will convince them, and that if the three Powers hesitate they may find themselves presented with another fait accompli.

The main British difficulty, the correspondent continues, is that a formal military alliance might appear to justify the German cry of encirclement thus precipitating the crisis it was designed to prevent, while Russia argues that stopping short of a full alliance may precipitate danger, thus it cannot be disguised that it is a clear issue in the tactics involved.

The "Observer," in an editorial, says that having begun the process of constituting a peace bloc the British Government must now answer the question: can a half measure be effective or won't it rather invite the worse of both worlds and make the last states worst than the first.

PENSION OF MR. T. A. DALLIN

The "Government Gazette" publishes the following:—By virtue and in exercise of the powers conferred by section 3 of the Pension Ordinance, 1932, the Governor in Council makes the following regulation:—

Notwithstanding anything in the Pensions Regulations "A" made under the Pensions Ordinance, 1932, and published as Government Notification 774 in the Gazette of December 9, 1932, a pension of £779 6s. 9d. per annum shall be granted to Thomas Dallin Esquire, late of the Colonial Audit Service and First Assistant Auditor in this Colony, such pension to commence on and be payable as from the 4th of February, 1939; such pension to be granted subject in all respects save only in the amount of such pension to the same regulations as if it had been granted in pursuance of the said Pension Regulations "A."

COAL STRIKE IN U.S.

President Roosevelt Intervenes

WASHINGTON, May 7 (Reuters).—President Roosevelt personally intervened in the Appalachian coal strike. He has summoned owners and miners together for continuing negotiations to seek a speedy settlement.

STOPPAGE COMPLETE

A message from York states that the number of miners striking in the Appalachian coal region has risen to 480,000 and the stoppage is now complete.

At a conference yesterday, after a strong appeal by the Federal mediator, there was an indication of a willingness to continue the negotiations.

Meanwhile, it is understood that some of the New York transit companies are considering the import of coal from Europe in the event of the shortage becoming more acute.

MEMORIAL ORGAN DEDICATED

CEREMONY AT METHODIST CHURCH

THE MAKEHAM MEMORIAL ORGAN, a magnificent instrument built by Mr. W. C. Blackett for the English Methodist Church with funds bequeathed by the late Mr. and Mrs. Charles Makeham, was formally opened and dedicated during the morning service yesterday.

A large congregation was present at the service, which was conducted by the Revs. J. E. Sandbach and E. Moreton. Mrs. A. Dransfield, an old friend of the Makeham family, unveiled a silver memorial tablet on the front cross panel and unlocked the organ.

A prayer of thanksgiving was then offered, followed by the dedication. Mr. R. Stansfield, the Church organist, then took his seat and played a hymn on the new instrument. Mr. A. Giverville was the soloist. During the service, Mr. Stansfield also contributed special music.

The organ will always stand as a fitting monument to the memory of the late Mr. and Mrs. Makeham, who during their many years' residence in the Colony were faithful supporters of the Church.

MEMORIAL SERVICE

A memorial service was held at the English Methodist Church last evening for the late Mr. Sydney Boulton, who passed away on April 27, after a residence in the Colony of about forty years. Mr. Boulton was a stalwart of the Church for many years, and was the Senior Lay Preacher.

The service was conducted by the Revs. J. E. Sandbach and E. Moreton.

Need For Return Of Good Faith Now Between Nations

LONDON, May 7 (BWS).—In a speech this afternoon, Mr. Anthony Eden said: "Our first need now is for a return to good faith between nations. Without it international society, like human society, can only drift into ever widening confusion."

It seemed to him that the emphasis laid on this need was the most valuable contribution which Col. Beck made in his remarkable speech yesterday, which might well serve as a model to statesmen, both for its firmness and for its moderation. It was not a question of morality only, but of the plainest practical politics.

FURTHER REMAND IN ASSAULT CASE

A further remand of one week was granted in the case where H.K. Muller, of Jensen and Co., is charged with assaulting P.C. Nur Khan in the early hours of April 22.

Lance-Sergeant Shaw told Mr. R. Edwards, at the Central Court on Saturday that the Indian Constable is still in hospital where he is likely to stay for another fortnight.

Members of the Kowloon Bowling Green Club, their families, and guests, gathered at the clubhouse at noon yesterday for a ceremony wherein the Chief Justice, Sir Atholl MacGregor, officially declared open the extension to the club-house, work on which was completed towards the end of last month.

Sir Atholl was introduced to the gathering by the President of the Club, Mr. T. E. Robson, whose team, previous to the ceremony, had defeated "Sir Atholl MacGregor's" team by 67 shots to 65 in a lawn bowls match played to celebrate the occasion.

Among those who were mentioned by Sir Atholl MacGregor, in his speech, as having contributed to the planning and building of the extension to the club-house were Messrs. T. Armstrong, E. V. Searle and A. L. Woolley (who comprised the original sub-committee elected to plan the extension), Messrs. V. A. Garton, J. McKelvie, and J. G. Meyer, who were co-opted to the committee when alternative schemes were prepared. Mr. E. W. Blackmore, architect for the original clubhouse and new extension, Messrs. Jardine Engineering Corp. Ltd. (electrical work) and the H.K. and China Gas Co. Ltd. (gas fires, etc.).

Mr. E. V. Searle thanked Sir Atholl on behalf of the members, for his having consented to conduct the opening ceremony, and Lady MacGregor was presented with a bouquet of flowers by Miss Diana Armstrong.

The extension to the club-house comprise the addition of a large committee-room, re-arrangement and additional accommodation to the Bar, transformation of dressing-room facilities and the installation of more showers, conversion of the old Reading Room into a Library and Lounge, and the provision of a kitchen enabling members to be served with snacks on the premises.

BALL LEAGUE STARTS

U.B. Beat Recreio Eight-Four

Hongkong's baseball season was opened at the Royal Naval Recreation ground, Caroline Hill, on Saturday, the U.B. Beer nine defeating Club de Recreio by eight runs to four. A large crowd was present to see Mr. Addison E. Southard, United States Consul-General, pitch the first ball.

M. el Arculli pitched for U.B. throughout the game, holding the Recreio players to only four runs, while the U.B. Beer players mistreated the Recreio pitcher, Perelra, to tally eight runs.

Runs for U.B. came from A. R. Abbas, Terry Leonard (2), Dave Leonard (2), Hal Wing Lee, and M. el Arculli (2). Recreio scored through Johnny Alvarez, Mike Mendonca, Tony Alves, and Al Alvarez.

SUNDAY'S GAME

The Mindanao on Sunday morning, repeated their performance of last year by taking the Chinese Baseballers, reigning champions, by six runs to four. Both pitchers, Ruel and Earl Wong, pitched good ball to hold the opposing batters to seven safeties. But the navy boys were much steeper in the field.

Charlie Horton, the veteran of the Mindanao, was the hero of the game, clouting two doubles and a single, and driving in two markers.

JAPANESE PLANS AGAIN FRUSTRATED

(From Our Own Correspondent) CHUNGSHAN, May 5.—Japanese plans to advance to the west to attack Kwangsi have again been frustrated by Chinese forces, and the enemy detachments are retreating to Samshai on the West River. The main concentration is said to be in Canton and vicinity.

Chinese troops on the Kok-shan-Sunwul highway are counter-attacking the Japanese at Shaping, Kongmoon and Sunwul. All the enemy remnants in the vicinity of Hoshan have been cleaned up by Chinese troops. Several traitors were caught and executed after a trial.

Japanese forces are now turning their attention to harass Chungshan, as about twenty war vessels of various classes are hovering along the south-east coast of this county. Two torpedo boats steamed close to Yalman in the south yesterday morning, but finding the boom well constructed they steamed away.

JAPANESE NAVAL BASE

It is believed that the gunboats and armed launches came from San Tsao Island, the miniature Japanese naval base south of Chungshan county.

About 3,000 Formosan troops are reported to have arrived in Shekian to strengthen the Japanese line in the East River sector. About 2,000 Korean and Formosan troops are reported to have arrived in Canton as replacements in view of the Japanese casualties.

peaceful settlement of the Polish-German dispute. The Papal Nuncio's visit to M. Bonnet yesterday, which coincided with the visit of Berlin's Papal Nuncio to Herr Hitler, has aroused interest here as it is thought that it may be linked with the Pope's intervention in the Danzig question.

SPECIAL MESSAGE

PARIS, May 7 (Reuters).—Cardinal Verdier, Arch-Bishop of Paris, is expected to make an important statement to-morrow to the French Eucharistic Congress in Algiers and a special message to the Congress will be broadcast by the Pope himself soon.

CONTACT RENEWED

VATICAN CITY, May 7 (Reuters).—Although there is no indication of the nature of the Pope's broadcast to-morrow, Vatican circles say that the visit of the Papal Nuncio to Berlin to Herr Von Ribbentrop had special reference to the German-Polish dispute.

The Holy See is anxious to see this question settled peacefully and it is understood to be using all its influence to smooth the path of negotiation to prevent any break off of contacts.

Although it may be said that this initiative has not hitherto brought any concrete results, the Vatican is continuing to devote its diplomatic activity in all European centres to the cause of peace.

It is also believed that contact has been renewed in Berlin with the aim of reaching an understanding over the Concordat between Germany and the Holy See, the cause of peace.

*Gillette reduces your
shaving costs*

Insist on Gillette . . . don't be
persuaded to buy inferior blades on
the grounds that they are cheaper.
They may be lower in price, but
they are not economical in use.

The best way to reduce your shaving
costs is to buy Blue Gillette
blades and a Gillette razor. They
fit each other exactly, because they
are designed as a unit; and they
combine as a team to give the
maximum number of perfect shaves
with every blade.

Recent Researches In Steel Metallurgy

In spite of long-extended studies of the subject, and much accumulated experience, our knowledge of the actual reactions taking place between the liquid metal and the slag in the steel-melting processes is still mainly of an empirical nature.

Nevertheless, as pointed out by Dr. W. H. Hatfield, F.R.S., at the outset of a discourse which he delivered before the Royal Institution, recently, our understanding of the physical chemistry of the steel-refining processes is now rapidly advancing.

Dr. Hatfield, who was dealing with "Recent Researches in Steel Metallurgy," stated that one of the principal studies of recent years had been the determination of the nature and degree of heterogeneity in steel, as affected by the process employed and the composition and conditions of casting of the material.

One of the important advances made related to the increasing control of the non-metallic inclusions, matter which was one serious feature of the heterogeneity of steel ingots.

It was important to know the oxygen content, and its condition in liquid steel, and a great step forward had been the development of the vacuum-fusion method of determining the total oxygen in the final product; but the technique of ascertaining the form in which the oxygen occurred had not as yet been quite mastered.

The nitrogen and hydrogen contents of steel were also receiving much attention, and these, particularly the hydrogen content, might prove of consequence.

U.S. MOVE TO BOOST FARM PRICES

WASHINGTON, May 6 (Reuters).—The Appropriations Committee of the Senate has approved the Farm Bill, involving expenditure of over \$1,215,000,000.

Of this sum, over \$900,000,000 will be for benefit payments of Government operations to boost farm prices through surplus removal activities.

Total waterborne lumber shipments from Canada's Pacific Coast province of British Columbia in 1938 amounted to 1,192,195,872 board feet in comparison with 1,107,377,269 feet in 1937. Evidence of broadening markets in the British West Indies and a higher demand from New Zealand contributed to this increased traffic. Most of the lumber shipped was Douglas pine.

ELECTRICITY SUPPLY IN WAR

The annual luncheon of the British Electrical Development Association, which was held at Grosvenor House, London, was honoured by the presence of the Duke of Kent, who in proposing the toast of "The Association," said that electricity was now in use in 8,000,000 homes in this country and additions were being made at a more rapid rate than elsewhere.

Large scale electrification had begun late owing to the mature state of industrial development based on steam, but the position had been profoundly changed during the past ten years. New British industries based entirely on electricity had been created and electricity in city homes was as cheap as anywhere in the world, or cheaper.

It was interesting to learn that, pro rata to the number of electricity consumers, Great Britain used many more electric cookers than America, and only 2½ per cent. of the homes connected to the mains need pay more than 1d. per kWh, and over 60 per cent. could buy at ½d. per kWh, or less.

There were few aspects of everyday life on which electricity did not affect. It continued to make outstanding contributions in the spheres of X-ray therapy and medical treatment, and had lent a new meaning to leisure.

ANGLO-AMERICAN BARTER PLAN

U.S. Cotton For Rubber And Tin

LONDON, May 6 (Reuters).—The "Financial News," discussing the Anglo-American commodity barter plan, says that commodity market circles believe the United States War Department requires war reserves of between 200,000 and 300,000 tons of rubber and from 50,000 to 75,000 tons of tin.

On this basis, the value of material involved would be between \$25,000,000 and \$40,000,000.

Production of a reserve of 300,000 tons of rubber would require an additional quota of 20 per cent. for one year.

For a tin reserve of 65,000 tons would need an extra quota of 30 per cent.

It appears that the bulk of the payment for rubber and tin would be made in cotton. Lowest figure mentioned is 2,000,000 bales, which represents about two years' British consumption of United States cotton.

The 7,000,000 railroad ties which will be required by the Canadian National Railways during 1939 would make a continuous line, if placed end to end, 10,000 miles long or almost three times the distance between Halifax, Canada's most easterly port and Vancouver on the Pacific Coast.

SHARE MARKET REVIEW

BY C. A. L. RICKETT, Secretary, Hongkong Sharebrokers' Association

Hongkong, May 5, 1939.

The market has been very quiet during the week, with a further dwindling in the volume of business transacted. Early in the week there was a limited and rather casual enquiry for the more popular stocks. This, however, was ignored as holders of shares were not attracted by comparative low offers. Towards the close of business there was evidence of increased enquiry and shares changed hands at improved price levels.

H.K. Bank shares changed hands at \$1360 to \$1370, and Electric at \$55½ with further shares obtainable at this figure. Wharves were wanted at \$101 with sales reported at this price. H.K. Docks improved to \$17 and Lands came to business at \$33½. Hotels were wanted at \$91 and Dairy Farms at \$203. Trams had buyers at \$16.40 and sellers at \$16½. China Lights (O) also came in for enquiry and changed hands at \$8.30. Star Ferries were wanted at \$65½ without finding sellers.

Gold mining stocks have been dull throughout the week with a steady falling off in the daily volume of business transacted. Prices have been inclined to sag through lack of business. At the close of business a dull market is reported from Manila.

MECHANISED FARMING AND THE HOME PRODUCTION OF FOOD

Until the urgent necessities of the Great War led to a national campaign for food production, the mechanical tractor was comparatively a rarity on British soil, and even at the close of the war, only some 3,000 machines were in use.

To-day the total number employed is variously estimated at between 50,000 and 60,000, and as the lower limit in size of individual units is being steadily reduced, the number is likely to increase in the near future.

The bearing of such a development on the home production of food, especially in time of war, is obviously significant, whether the subject be regarded as a branch of engineering or as a special aspect of agriculture.

The latter point of view was preferred by Mr. S. J. Wright, M.A., the Director of the Institute for Research in Agricultural Engineering of the University of Oxford, in a paper on "Recent improvements in Agricultural Machinery, and their Bearing on the Home Production of Food," presented before the Royal Society of Arts recently.

RAILWAYS MEALS

To accommodate dining-car patrons on the Canadian National Railways, the officials of the railway company have to provide meals which are in keeping with the general excellence of the system. Indicating the high standard of these meals, the quantity of food used in 1938 in the dining cars to serve 860,000 meals included 55 tons of beef, 22 tons of chickens, 220 tons of potatoes, 50,000 heads of lettuce, 55,000 apples, 50,000 lemons and similar quantities of other citrus fruits, 90,000 pints of milk, 40,000 pints of cream, 700,000 bread rolls, 146,000 loaves of bread, 58,000 pounds of butter and 7,000 pounds of cheese.

SHIPPING LOAD LINE

In exercise of the powers conferred by sub-section (2) of section 40 of the Merchant Shipping (Safety and Load Line Conventions) Act, 1932, as extended to Hongkong by an Order of His Majesty in Council bearing date July 28, 1938, and intitled "The Merchant Shipping Load Line Convention (Hongkong) No. 1 Order, 1938" and adapted and modified as set out in the schedule to the said Order, the Governor hereby exempts from Part II of the said Act, as so adapted and modified, all ships under two hundred and fifty tons gross playing solely within the waters of this Colony.

LOCAL HOCKEY SEASON IS BROUGHT TO CLOSE

Civilians Beat Services: Osman Shines In Goal

(By "J.H.F.")

The local hockey season was officially brought to a close yesterday when the Civilians engaged the Combined Services in their annual encounter on the Club ground, King's Park. The former winning by two goals to nil. The game was watched by a handful of spectators and except for brief periods in both halves the game was scrappy and far below the standard one would expect from the engaging teams.

Mr. Yeh Yuan-lung was appointed President of the Szechwan University by a mandate issued by the National Government on Saturday.

There were three changes in the Civilians' team, U. B. Souza deputising for J. J. King, R. Xavier for A. E. P. Guest and E. Fowler in place of N. Whitley and, despite this, was by far the better team. Their defence was rocklike V. C. Bond and R. Xavier combining ideally. The former, the best defender on the field, featured his play with powerful reverse stick clearances and was very cool under pressure.

The winners were also well served by their intermediate trio. W. A. Reed, in the pivotal berth, played his usual sound game and was well supported by his brother, R. J. Reed, on his left who had Shar Wall completely subdued.

WALL'S BAD LUCK
The forwards, on the day's play, did not play too badly but have been seen in better light. J. Wall, on the left wing was an opportunist and had bad luck with his two "lick" attempts early in the game.

That they did not lose by a bigger margin the Services have to thank Pte. Osman. He gave a faultless display between the sticks and the two shots that got by him would have beaten even a better man than him. Datta Ram, left back, was safer than his partner and Lt. Hook, centre half, though overshadowed by his opposite number, played a good game and deserved better support.

Lt. Pritam Nath, leading the attack, did not touch his form of old. The Neraln-Partaub Singh was the most dangerous flank but were up against a defence who had the measure of them.

OSMAN TESTED
The Civilians attacked from the bully-off and Osman was tested early in the game but cleared confidently with anything that came his way. The first goal was netted in the 20th minute when G. Singh netted with Osman caught on the wrong foot after effecting a clearance. The Civilians continued to press and though they dominated exchanges the first half ended with no further goals being registered.

Play lived up in the second half. With the Civilians showing signs of "bellow to mend" the Services took up the running but never looked like scoring. Midway through this period the Services were given two opportunities to level the score, but the stinging short corner hits by Ram were easily cleared by Souza.

With eight minutes before full time S. A. Fowler put the issue beyond doubt when, following up a shot at goal, he scooped the ball into the net with Osman unslighted.

The teams lined up as follows:—
CIVILIANS—U. B. Souza, V. C. Bond, R. Xavier, F. Fowler, W. A. Reed, R. J. Reed, S. A. Fowler, G. Singh, G. H. Fowler, Pyara Singh and J. Wall.

COMBINED SERVICES: Pte. Osman, Lt. Carr, Datta Ram; Bdr. Dinot, Lt. Hook, Lt. Firih; Shar Wall, E. R. A. Gemmel, Lt. Pritam Nath, Neraln Singh and Partaub Singh.

SCHOOLS' MATCH
As a curtain raiser a girls' combined schools' eleven engaged a combined schools' team of the opposite sex. The girls put up plucky resistance but were no match for their opponents who eventually ran our winners by five goals to nil.

FRIENDLY GAME
A friendly hockey match was played at King's Park on Saturday when the Argonauts Girls were seen in action against the Recrelo "B." The game ended in a goalless draw but on the day's play a win for the latter would have been a fairer result.

CORPS RIFLE MEET
The annual rifle competition of the Hongkong Volunteer Defence Corps was held at the Kowloon City Rifle Range yesterday. Well over three hundred members turned out for the Corps Competition, Francis Cup, Blake Shield, T.C. Competition, and Musketry Competition shoot, and some very keen contests and good results were seen.

LEWIS MUST BE EXAMINED

U.S. Association Follow B.B.C.

NEW YORK, May 5 (Reuter)—Two American boxing bodies, the National Boxing Association and the New York State Athletic Commission, are likely to follow the example of the British Board of Boxing Control and insist on an examination by an oculist before permitting John Henry Lewis to fight again.

Lewis was refused permission in England to fight Len Harvey. The Secretary of the N. B. A. told Reuter to-day that that body had requested examination of Lewis by the British Board, and are likely to take similar steps themselves.

The N. Y. S. A. C. chairman said, "Lewis must undergo an examination if he is fighting again in New York."

It is believed Lewis is likely to retire, necessitating a elimination contests for the light heavyweight title, which would include Len Harvey—Reuter.

K.C.C. CELEBRATE CRICKET WIN

About 30 members of the Kowloon Cricket Club attended a dinner and smoking concert at the Club of Saturday night in celebration of the successful season of cricket the Club had enjoyed.

The President of the K.C.C., His Honour Mr. Justice R. E. Lindell, and the vice-president, Mr. Ezra Abraham, were present. Following dinner, the captain of the 2nd XI, Mr. W. Mulcahy, received the Hongkong Junior Cricket League Shield from the President, and members of the team received souvenirs.
